Have You Selected Your Spring Hat?

We told you some two weeks ago that Easter Hats would be worn on Easter Sunday in larger numbers than usual. The last few warm days has started the hat trade earlier than usual. We are ready to serve you now with a large assortment. Our opening will be announced in our next advertisement.

Children's Hats

Our full line of Children's Hats is now ready. This means that the largest assortment that we will have this season is now in our store.

Children's Hats are made up early, when help can be hired for less money than in the busy season. This is the reason that you can always buy Children's Hats for less money than paid for Ladies' Hats.

Children's Hats this season are better for the prices asked than last season.

We have the Babies' Caps at 25c, 39c, 50c, up to \$2.00. Babies' Muslin Caps at 50c and 75c are made of fine materials and have all of the style of more expensive Caps. In fact, one would have to look carefully to see very much difference. They are our best sellers.

There is a beautiful line of Children's Straw Hats for this season. Some of the best of these come in Colored Straws. You can buy a good one at from \$1.00 to \$1.50 each.

These Children's Hats for convenience are all carried on our first floor in the center of our store.

If you are not ready to buy and see a style that you would like or one that you would want later, we will lay it aside for you. Very few styles of Children's Hats that can be duplicated later. We always have a plenty. Earlier the selection is, the more satisfactory.

You should acquaint yourself with the change in corset styles. There is quite a change from last season. Ask to see them in Royal Worcester, R. and G. and Nemo makes. Here are three of the largest and best manufacturers in America today and they are all at the corset business right. We carry all of their latest styles.
